

Outdoor Protection Made Easy

TEDDICO Introduces Slim-Line While-in-Use Covers Featuring Patented Design

To prevent electrical cords from bending inside the covers, include our Extra Duty Slim-Line While-in-Use Covers on your next job. These durable, corrosion-resistant housings are designed for long outdoor life and feature:

- > Low Profile (only 1-9/16" deep)
- > Ability to Lock Cords In-Place
- > Assembly in Vertical & Horizontal Configurations
- > UV-Rated Polycarbonate Body in Gray, White & Transparent
- > NEC-Compliant Durability
- > Rated for 15 Amp

For superior While-in-Use Covers and other quality products, contact your Teddico distributor or call **412.747.4970**.
